axon' group

Innovative interconnect solutions

Multiple capability

The AXON' GROUP comprises
4 complementary companies, covering a rich
and diverse range of capabilities
in interconnect solutions ...

AXON' CABLE, headquartered in Montmirail in France's Champagne region, specialises in the design and manufacture of :

- custom designed wires and cables
- connectors
- assemblies and harnesses
- mini systems

www.axon-cable.com

ADDIX, located in the Paris region, offers solutions in the design and manufacture of elastomeric parts such as :

- connector inserts and seals
- moulded shapes
- flexible keyboards

www.addix.fr

AXON' MECHATRONICS, Loupot Division, based in the picturesque Brittany town of Quimper, designs and produces connectors, electrical circuits, and mechatronic devices with its capabilities in :

- precision stamping
- connectors
- moulding and overmoulding
- insertion machines
- preforming machines.

interconnect  solutions

Design and innovate

Innovation is at the forefront of the AXON' GROUP which invests 10 % of its annual turnover into Research and Development.

Concentrated brainpower : more than 200 technicians and engineers specialised in :

- Metallurgy : manufacture of precision conductors
- Plastic technologies : jacketing, moulding, overmoulding
- Electronics : EMI/EMC, microwave, fibre-optics, networks.

Patents include

- Cables with alveolar structures
- Flat cable interconnects for LVDS displays
- High data rate connectors
- Porous PTFE (Celloflon®)

A global presence

With subsidiaries in France, Germany, Great Britain, Spain, Hungary, Latvia, India, Japan, China, Mexico, Brazil and the USA, along with an extensive network of agents, the AXON' GROUP has a truly global presence.

Experienced engineering teams in most of these subsidiaries offer direct technical support to the customers.

Synergy within the group

Combining the different expertise of its companies enables the AXON' GROUP to :

- offer complete interconnect solutions
- optimise the flow of production
- provide its customers with a "one-stop shop" to reduce the number of suppliers

The group in brief

- 1800 staff worldwide
- Consolidated turnover €118 million
- ISO 14001
- ISO 9001
- EN 9100
- ISO 13485
- ISO/TS 16949
- OHSAS 18001
